Eric Dallin, Principal Carol Doucette, Vice-Principal

March 31, 2021

Dear Yorkdale students and community,

I wanted to provide you with information about a case of COVID-19 that has been identified in a student at Yorkdale ALC. We continue to work closely with Toronto Public Health (TPH) on this case, which last saw the student in the school on Monday March 29, 2021. This student will not return to the school until cleared by TPH to do so. This now brings the total number of active COVID-19 cases in our school to one. The affected class cohort along with their teacher have been asked to self isolate.

As per our procedures, staff and students are required to wear masks while at school and to practice physical distancing, as well as proper hand hygiene — hand washing, sanitizer etc. While enhanced cleaning is conducted every day, we have made sure to conduct an enhanced cleaning in all affected areas of our school. TPH is monitoring the situation and, as always, will let us know if further precautions, actions or communications are required.

The health, safety and well-being of staff and students is our top priority. Should you have any questions, please contact the school, visit the [TDSB website](#) or visit the [TPH website](#) for general information. For general questions, please call the TPH COVID-19 Hotline at 416-338-7600, Monday-Sunday 8:30 AM – 8:00 PM, to speak with an agent. If you need immediate assistance, please call Telehealth Ontario 24 hours a day at 1-866-797-0000.

Sincerely,

J. Eric Dallin

Eric Dallin, Principal
Yorkdale ALC & SS
